FROM: Elizabeth A. Catania, PE, F.NSPE
For Catania Engineering Associates, Inc., Borough Engineer

RE: 2019 CDBG
Potential Projects

The following is a list of potential projects for the upcoming 2019 CDBG Round. The items are listed in no particular order and represent known issues within the Borough as well as recommendations for planning purposes. I would be happy to discuss at your convenience.

1. Eddystone Avenue Sanitary Sewer Rehabilitation – Sewer lining
2. Ashland Avenue Storm Sewer relief
3. Town Center Plan – Chester Pike
4. Lighthouse Hall upgrades – Doors, floor replacement
5. Zoning Ordinance – Update 1995 Ordinance – New Ordinance based upon 2011 Comprehensive Plan. (Comp Plan should also be updated- typically every 10 years)
6. Land Purchase for open space?
7. Village Playground Upgrades
8. Lighting – Don Merion Field – This would need to be done in conjunction with a DCNR grant application.
